## Looking Ahead to the 2021-22 School Year

We have begun calculating the 2021-22 enrolment for both Willoughby and Donna Gabriel Robins Elementary schools. If your child will not be attending either school in September and you have yet to inform us, please email Mrs. Giovani right away. As student numbers have a direct impact on our budget and staffing, we need to know if your child will be attending a different school in September.

Dates have also been set for the 2021-22 PAC Executive Elections for both schools. Please mark your calendars!

**Donna Gabriel Robins: May 10 @ 7:00 pm (Zoom)**

**Willoughby: May 17 @ 7:00 pm (Zoom)**

Information outlining the nomination and election processes and the PAC executive roles will be emailed to Donna Gabriel Robins parents tomorrow and Willoughby parents next week. We encourage you to take part as we value parent input with initiatives that better support our students and enrich their experiences at school.

# ONLINE EXPLORATIONS

Explorations is a fun, recreational 7-week program designed for youth who want to explore different topics they are interested in, within a group setting with other students and supportive mentors. Mentors will lead students through three different focus areas; Art, Science, and Cooking. Within each of these areas, there will be specific activities laid out for students to gain new skills and improve upon the ones they have!

## ONLINE GO GIRLS!

Go Girls! is a fun, recreation program designed for youth who want to participate in fun-filled physical activities, games, art projects and interesting discussions. This is an excellent chance for youth to hang out with friends, meet new ones, and learn about healthy living in a fun, interactive and supportive environment. They will also spend time with great leaders and mentors who are dedicated to making the program amazing!

## ONLINE GAME ON

Game On! is a group mentoring program that provides youth with information and support to make informed choices about a range of healthy lifestyle practices. Through non-traditional physical activities complemented with healthy eating support, participants are engaged in life skills, communication, and emotional health discussions designed to engage participants in the pursuit of life-long healthy lifestyles.
